ORGANIZED BY:

Entrepreneurship Development Cell
JNT University Hyderabad
&
Department of Mechanical Engineering
JNTUH College of Engineering Hyderabad

About E-Cell, JNTUHCEH:

Entrepreneurship Development Cell (EDC) at *Jawaharlal Nehru Technological University Hyderabad* was established in February, 2002 with the support from the Department of Science and Technology (DST), Govt. of India, New Delhi.

We at E-Cell, JNTUHCEH has identified 'Entrepreneurship' as one of the principal mechanisms for the mitigation of Unemployment and Under-employment amongst Science & Technology Graduates in the country today. This E-Cell, JNTUH would not only help in strengthening Industry-Institute Interaction, but also promote Entrepreneurial Culture among the students/public of this region of Higher Learning.

Objective of the Camp:

- The main aim of the programme is to create entrepreneurship values among the students/youth
- This program makes students to enhance their business tactics and management
- To respond effectively to the emerging challenges and opportunities both at national and international level relating to SMEs and Micro Enterprises.

Target Group:

This Programme is only for Students of Mechanical Engineering of Constituents Colleges of JNTUH
