

## **Campus Ambassador Program**

Entrepreneurship Development Cell, Jawaharlal Nehru Technological University Hyderabad is recruiting Campus Ambassadors for the session 2017-2018. Check out the related to Campus Ambassadors Programme given below.

There is no single characteristic that makes up an Ideal E-Cell Campus Ambassador. We look for enthusiasm, drive and, of course, plenty of creativity. We look for leaders-students who are motivated enough to master the change they need to bring. Students who can make things happen on their campus; students who can inspire their peers, collaborate with administrators and campus organizations, and produce results. This is more than just a college job, it's a chance to develop and grow as an individual's while adding an incredible line to your resume. Sound like you?

Ambassadors help in the hosting the activities of E-Cell, JNTUHCEH and act as a Campus contact for E-Cell Teams.

### **Responsibilities of E-Cell Campus Ambassadors:**

- Work closely with E-Cell Associate Members team.
- Help Extensively in the publicity of Entrepreneurship Activities in JNTUH campus
- Serve as a strategic link between Students of JNTUH and E-Cell, JNTUHCEH.
- Make people aware of E-Cell JNTUH through social Media and other resources you have and share the latest happenings among your network.

### **Benefits to Campus Ambassadors:**

- Certificate of Appreciation at the end of your tenure.
- Recognition of active campus ambassadors.
- Add the E-Cell Campus Ambassadors program experience to your resume.
- Enhance your professional development, Leadership, and Communications skills
- Build relationships with Ambassadors from other colleges and disciplines
- An opportunity to network with startups, Entrepreneurs, and the E-Cell team.

### **Who is Eligible?**

This opportunity is open to JNTUH students only from any engineering or management course (2<sup>nd</sup>, 3<sup>rd</sup> and final year students can apply)

Last Date for submission is 20<sup>th</sup> April 2017
