Prolific Technologies Pvt Ltd
Hyderabad

Organized

By

**Department of
ELECTRICAL & ELECTRONICS ENGINEERING
JNTUH college of Engineering
Hyderabad**

Jawaharlal Nehru Technological University, the First Technological University of India, was established on 2nd October 1972 in Andhra Pradesh with head quarters located in a historic city of **Hyderabad**. The university is one of the premier universities in India accredited by NAAC with A grade. After successful and proven levels of appreciated existence and stature spanning over 36 years, JNTU has been divided into 4 different universities by Govt of Andhra Pradesh, through act no.30, Dt.24th September, 2008. One of the constituent colleges of the university “**JNTUH COLLEGE OF ENGINEERING, HYDERABAD**” is regarded as a pioneer in shaping the excellence of some of the leading industries in the industry by churning out the finest professionals with a resolve to scale greater heights in the technological scenario, every year.

ABOUT THE DEPARTMENT:

The Department of Electrical Engineering was established in 1965 in the Nagarjuna Sagar Engineering College at Masab tank Campus. Later it was re-established in 1979 for offering B.Tech. Four year degree course. It also offers full time and part time PG courses. The department of EEE, JNTUHCEH and GE Energy has signed an MOU for conducting a three year M.Tech programme. The department has undertaken many R&D projects sponsored by MHRD and AICTE. Faculty members in the department are actively involved in research and consultancy services. Students performance in

About Prolific Technologies :
